¹ Order No. 4702, Order Concerning the Addition of Global Expedited Package Services (GEPS) - Non-Published Rates 14 to the Competitive Product List, Docket Nos. MC2018-186 and CP2018-260, July 9, 2018, at 6-7.

² The full serial number, which contains fields useful to the Postal Service's administration of the contracts, appears on the first page of the contract and in the text of this Notice.

³ The common template is the GEPS – NPR 14 model contract, which was filed as Attachment 4 to the Request of the United States Postal Service to Add Global Expedited Package Services – Non-Published Rates 14 (GEPS – NPR 14) to the Competitive Products List and Notice of Filing GEPS - NPR 14 Model Contract and Application for Non-Public Treatment of Materials Filed Under Seal, Docket Nos. Since the filing of the GEPS - NPR 14 notice, a few revisions to the text of the GEPS – NPR 14 model contract have occurred including: the addition of Article 12(3) concerning a possible extension of the contract for up to an additional three months, subject to certain conditions; revisions to Article 21 concerning intellectual property, co-branding, and licensing; as well as revisions to Article 34 concerning sovereign acts.

Service's notice dated August 24, 2018,⁴ as representative of the contracts being filed.

The unredacted version of the inputs worksheets that were used to generate customer-specific rate tables for the agreement for which the Postal Service is providing notice are being filed with the Commission under seal. The inputs worksheets are very similar to the inputs worksheets that were included in the Postal Service's notice concerning the first group of GEPS – NPR 14 contracts filed in this docket. Therefore, the Postal Service requests that the Commission consider the redacted versions of the inputs worksheets filed in this docket with the Postal Service's notice dated August 24, 2018, as representative of the inputs worksheets filed with this notice.⁵

The Postal Service incorporates by reference the application for non-public treatment that was filed in conjunction with the Postal Service's notice of June 22, 2018, in this docket.⁶ The application protects from disclosure the information that has been redacted from the contracts and the inputs worksheets that the Postal Service is filing today with this notice.
